# GEEK OUT!

Immerse yourself in **MAKER** culture and discover something you'd love to make.

2011 Maker Faire Detroit is an amazing showcase of creativity and cool technology that celebrates the DIY mind-set. It's stimulating, inspiring and fun for all ages. You just have to be there to experience it for yourself.

Every year there are first-time makers as well as favorites returning with something new. Practical. Whimsical. Experimental. Original. Maker Faire is a weekend filled with an incredible variety of exhibits, talks, demonstrations and performances, most of them hands-on and all of them engaging, bridging arts and crafts and science and engineering. Maker Faire is a reflection of our community at its very best.
