

A vibrant, stylized illustration for a Maker Camp Film Fest poster. The background is a deep blue night sky with white stars and radiating lines. A large, red, blocky robot with a white circle on its chest containing a red 'M' stands in the center. To the left, a satellite orbits in the sky. To the right, a white paper airplane flies. In the foreground, there's a green field with a small brown cabin, a campfire, and several green pine trees. In the background, there are green hills, white wind turbines, and a flagpole with a red flag featuring a white 'M'.

Maker Camp
